Batam Fabrication Services

Batam is easily reached by ferry from Singapore. Contact us and we will arrange for a visit to the yard.

Hourly ferry services to Batam are offered by Penguin and Batam Fast. Both operators leave from the Singapore Cruise Center located in HarbourFront Centre at Telok Blangah. Take the ferry service from either operator from HarbourFront to Sekupang or WaterFront City. The ferry journey is approximately 1hr. We will accompany you from Singapore or pick you up in Sekupang or WaterFront City.

There are two convenient quality hotels to stay at in WaterFront City - the Harris Resort and the Holiday Inn. Both are within 10 - 20 mins drive to our yard.
